

# PREAPPLICATION QUESTIONNAIRE

Below is a list of regulated medical wastes. Check the type(s) of waste that your facility generates. If you do **not** generate any of the medical wastes listed below, please complete only the certification statement on the reverse side of this form.

## REGULATED MEDICAL WASTES

- ☐ Laboratory wastes - specimen or microbiologic cultures, stocks of infectious agents, live and attenuated vaccines, and culture mediums.
- ☐ Blood or body fluids - liquid blood elements or other regulated body fluids, or articles contaminated with blood or body fluids.
- ☐ Sharps - syringes, needles, blades, broken glass.
- ☐ Contaminated animals - animal carcasses, body parts, bedding materials.
- ☐ Surgical specimens - human or animal parts or tissues removed surgically or by autopsy.
- ☐ Waste contaminated with fixitives or chemotherapeutic agents.
- ☐ Isolation waste - waste contaminated with excretion, exudate, or secretions from humans or animals who are isolated due to highly communicable diseases. (*Centers for Disease Control, Biosafety Level 4*)\*
- ☐ Pharmaceutical wastes - California only hazardous pharmaceutical waste.

\*Biosafety Level 4 viruses and diseases are: Congo-Crimean hemorrhagic fever, Tick-borne encephalitis virus complex (*Absettarov, Hanzalova, Hypr, Kumlinge, Kyasanur Forest disease, Omsk hemorrhagic fever, and Russian Spring-Summer encephalitis*), Marburg disease, Ebola, Junin virus, Lassa fever virus, Machupo virus.

**Attach copies of all medical waste receipts verifying the quantities of medical waste generated and removed off site in the preceding 60 days.**

Establishment No. \_\_\_\_\_

Average monthly quantity generated \_\_\_\_\_ pounds. Name of hauler \_\_\_\_\_

Do you plan to treat your medical waste **on site** (*at your facility*) by Isolyser, autoclaving, incinerating or using microwave technology? (Treatment by Isolyser SMS **does not** require a treatment permit.)

☐ yes      ☐ no      Method of treatment \_\_\_\_\_

If you generate less than 20 pounds of medical waste per week, do you want to apply for a Limited Quantity Hauling Exemption? This allows your facility to transport medical waste to a medical waste treatment facility or transfer station without hiring a registered hazardous waste hauler.

☐ yes      ☐ no
